

# Marquette University Spanish English Catalog (MaUSECat)

How do I show all the album or tag categories at once?

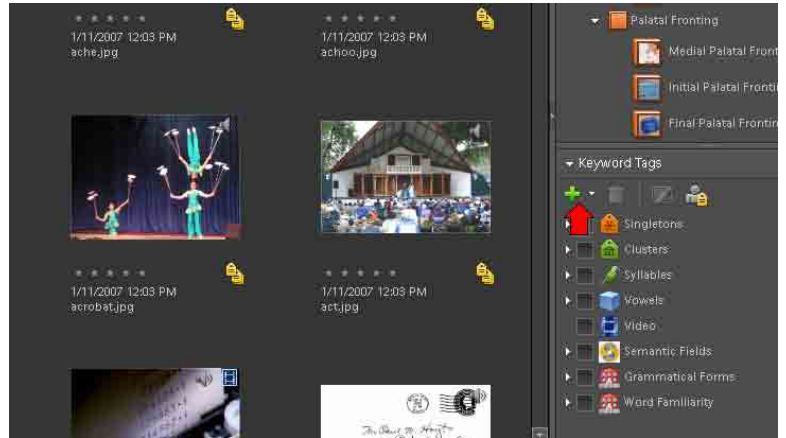

To show all the album categories at once, first click the *green plus sign* under Albums.

Click *Expand All Albums* on the drop down menu.

All of the album categories will now be visible.

To show all the keyword tag categories at once, click the *green plus sign* under Keyword Tags.

Click on *Expand All Keyword Tags* on the drop down menu.

Now all of the keyword tag categories will be visible.
